

Child Friendly Anti Bullying Policy

Our Child Friendly Anti-Bullying Policy has been written with support from our Student Leaders. Using student voice from both Primary and Secondary students

What is Bullying?

Bullying is when someone is mean to you over and over again. It can be hitting, name-calling, or leaving you out. Bullying makes people feel sad and scared. This is something that happens more than one. Remember STOP:

Why do we want Bullying to stop?

Bullying is not nice, it makes people feel unhappy and scared. Sometimes this can affect people's self-esteem or left out. All children have the right to be happy and free from bullies. It can make them lose confidence, not want to join in with things on the playground

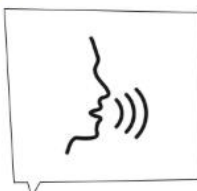

What to Do if You're Being Bullied

1. Tell an adult you trust, like a teacher, pastoral advocate or parent.
2. Stay away from the bully and stay with friends.
3. Be brave and tell the bully to stop if you feel safe to do so.
