REPORT IT SORT IT

Safer Internet Day 2026.

Primary Phase have been looking at the use of AI and how to look out for suspicious content or hurtful content online. We have been talking about how we Report it Sort it with issues that we may face online.

This has been in partnership with national Safer Internet Day on Tuesday 10th February.

A message from Mr. Nolan – Report It, Sort It Lead

Hello, my name is Mr. Nolan, and I am proud to be the Report It, Sort It Lead at Temple Learning Academy. We are committed to providing a safe and supportive environment where students and parents feel able to speak up if something doesn't seem right.
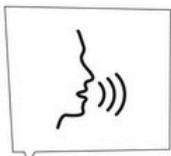

Through our Excellence curriculum, students have been learning about using their "Power for Good", standing up for what is right and not being a bystander.

A reminder that there are several ways to raise concerns. Students can speak to any trusted adult in school, and parents can get in touch via our school email address or through the reporting section of our website. Alternatively, you can contact your Pastoral Advocate through our main reception.

Together, we can help ensure Temple Learning Academy remains a safe and caring place for all.
