

Courage Opportunity Respect Excellence

Prayer Space User Agreement

A space will always be made available for students to engage in prayer during the school day. Access to this space is limited to those who will actively be using it as a sacred space for worship. All prayer space users are required to abide by this agreement. Very occasionally, we may need to pray in a different space. When this happens we will make sure you have the same time and facilities.

1. The prayer space is a sacred space. In this space we pray, a precious and important act of our faith.
2. The prayer space is a sacred space. In this space we behave as we would in a traditional place of worship.
3. Within the prayer space, we respect the individual. We may pray differently. We respect each other's right to do so.
4. The prayer space is available between 1.20 and 2.05. At 2pm, staff on duty will remind students in the prayer space they have 5 more minutes until the room must be empty. At 2.05pm, the room must be empty and will be locked.
