

## TLA Early Years Foundation Stage

### Our Day

'Play is the work of the child'

Maria Montessori

In Reception our days are full of fun and adventure.

We provide a balance of adult-led sessions and child-initiated learning where the children are invited to **'Go Off And Learn'** in our areas of provision - we call this time **GOAL time** and it happens both inside and outside and the children's learning is enhanced by the high quality interactions they have with the adults and with their peers.
