Whitkirk Primary School

You can view the individual policies by following the links on the Red Kite Learning Trust Website - <https://www.rklt.co.uk/blog/2022-2023-admissions-consultation-leeds/>

We invite your comments on these proposals. Please send your response to: info@rklt.co.uk

or to the registered office address: Admissions Consultation, Red Kite Learning Trust, Harrogate Grammar School, Arthurs Avenue, Harrogate, North Yorkshire, HG2 0DZ

The deadline for consultation is 11 January 2021

Admission authorities must consult on policies periodically and when changes are proposed to admission arrangements.

The substantive changes being consulted on are as follows:

- A new oversubscription criterion has been added relating to children who have been in state care outside of England.
- A draft catchment area map for each school has been included in the admissions policies for 2022/23, as an update to the previous nearest priority areas. Residential addresses formerly included in the nearest priority area have been retained within the new catchment area.
- Removal of the Supplementary Information Form for previously looked after children. This proposal is to enable families to submit information to the Local Authority in a variety of formats.

These changes are in line with the School Admissions Code.

The consultation is being carried out with all admission authorities within a three-mile radius of the schools. The schools concerned will ensure that they consult with parents of pupils currently at the school and with other local stakeholders.

Yours sincerely
