

We asked our parents and carers for their views on Temple Learning Academy.

When their children joined us in 2015 there was no school, no teaching staff and nothing to reassure them they had made the right choice. For some it wasn't a choice but the only place there was space.

One year later we asked them their views again.

*'Fantastic school for any child about to start their education....it's not just a school but a family. My daughter has learned so much the time and effort all the staff put in to each child really does show when you have 4 year old who can read confidently and can do basic maths. You would be crazy not to pick TLA for your child.'*

*'It's a nervous time especially when the school was not built yet. I was very nervous but I can now say that it was the best decision I made and I'm glad TLA is Grace's school. She has learned so much and we are so proud of her. The school recognised she needed help with her confidence and worked with her to help her. I cannot sing the teachers praises enough. Great school and teachers.'*

*'Fantastic school, I was nervous about sending Logan as the school wasn't built yet but I had no reason to worry. The staff are amazing and so are the kids. They work so hard for our children. It's like one big family. Thank you to all the staff for making this school what it is.'*

*'Best decision I made! Bella has settled in very well she absolutely loves school. She's come on so much and is very brainy too. I'm proud of Bella and glad I made the decision to pick Temple Learning Academy as her school. Also the teachers and all other staff are very helpful and lovely too. Bella loves them all.'*

*'I was really nervous of the decision of my little one starting school. It was also making sure it's the right school for my child. I am so impressed by the teachers and the learning style and how fast my child has developed not just educationally but into a well-rounded person. All the children at the school are so friendly to each other. Out of a 5 star rating I would give the school and the staff 10!'*
